

Ubi Caritas for PMC 2020 (Planet Music Camp)

Even though we can't be at PMC this year physically, we can still find ways to be together. Our hope is to begin and end the Planet Music Camp week with Ubi Caritas. The words of this song is a great reminder for us while we are apart. Ubi caritas et amor, ubi caritas, Deus ibi est.

"Where charity (caring) and love are, God is there also."

Here is how it is going to work:

- We are going combine all of our voices and videos of us singing Ubi Caritas wherever we are.
- You can do this either alone, or with your family, or other people who are in your bubble.
- We would like you to begin your video with a very brief introduction of your group, kind of like we do at camp. "I am Doug, I am Pam, I am Daniel, I am Sam and we are the Kendalls from Ottawa"
- We would also like you to be holding a candle while you are singing if possible.
- If you would like to wear PMC clothes that is fine!
- If you would like to record it outside by a fire, great! Be creative!
- We would like you to sing along with the provided piano track so that we are all singing at the same tempo and the same pitch.
- You can find the piano track on the OneDrive linked below or the PMC Website.
- This means you'll need to have the piano track playing through your headphones from one device (laptop, another phone) while you sing along and record yourself on video.
- The piano track will repeat 8 times.
- We'd like you sing the first time through just the melody and then the other 7 times sing whatever combination of melody and harmony you would like.
- All of the voices will be mixed together into one celebration of music and God's love.
- If you are uncomfortable with, or unable to record video, record just audio and send that to us along with a photo of you or your group holding your candle.
- Send your finished video, or audio and picture to Doug Kendall
