

Meeting Summary – The **Thankfulness** Edition

The PMC Board met October 29, and we have **so much** to be thankful for:

PMC 2022

Wasn't it great to be back in person for camp??!! In some ways it felt like just a few weeks since we had been together. There was lots of time to hang out with family and friends, and renew relationships. Your feedback (positive and not so positive) is appreciated. We have reviewed it and will consider it more deeply as we prepare for PMC 2023.

The 50th Anniversary Celebrations are over, but the Circle of Love song is a video on YouTube; click [here](#) for your dose of nostalgia.

CHARITABLE STATUS

It's official – we have our charitable status back! Thanks to the efforts of Doug Kendall and others, we filled in forms, talked to CRA, had one emergency board meeting at camp, and it's finally done.

This means you will get a charitable donation receipt for 2022 – BUT the receipt won't include your auction donations, because you got (or will get) something for those.

For those who held off making a donation until you could get a receipt, now is **your chance**; if you make a donation by the end of the year you will get a tax credit for 2022. (We don't desperately need your donation, and it's entirely up to you.) Contact the [Treasurer](#) for more info.

MEETING DATES

We've set dates for the PMC Board meetings for 2022-2023.

November 26	December 10	January 21	February 11
March 11	April 15	May 13	June 10

Pray for the board as we make our decisions, and watch for meeting summaries after these dates.

VOLUNTEERS

It takes a team to make camp work. These are some of the things that our dedicated volunteers do. If you can do even ONE of these things, we'd love to hear from you! Please send a message to presbyterianmusiccamp@gmail.com if you can help.

SUPPORT

We are aware that an incident took place on the last night of camp. The Board is working to understand the situation, and make changes to improve our preparation, response, and follow up. We'll have details for you as this work proceeds.

If you have information that will help us in this work, please let us know. You can contact Alison Cooper directly by phone (416-803-2591) or [email](#). Your safety and privacy will be respected in this process.

If you are having trouble getting past this event, please reach out as you feel comfortable to do so, and we will connect you with people who can help. And if you are aware of someone else who needs support, please encourage them to reach out.

We are strong in our community, and together we will become stronger still.
